

KID'S CLUBS

Kid's Clubs is excited to announce a new series of fun, educational and affordable clubs for 3rd through 5th graders that start in September and run throughout the school year.

We will be offering five sessions of clubs that run 5-6 weeks, one day a week. The sessions are listed below and sign-up usually begins two weeks prior. Three clubs, Climbing, Art and Culinary, will run throughout the year, although their focus will change. The other two clubs will rotate through a variety of interests including Rocket building, Skiing, Jewelry making, Holiday Crafts, Fly Tying, etc.

We are pleased to be partnering once again with wonderful

community organizations such as the Art Association, Enclosure Rock Gym and 4-H. **Special thanks to the TCSD Recreation District for providing us with a generous grant to make these clubs possible!**

CLUB DATES:

One club is offered each weekday. Each club meets once a week, from 3:30- 5:30. Check the current schedule for more specific information. All clubs meet at the Colter Elem. School cafeteria immediately after school. Snack and transportation from Colter to club site is provided.

Session 1 Sept 21st- Oct 30th

Session 2 Nov 9th- Dec 18th

Session 3 Jan 4th- Feb 12th

Session 4 Feb 22- Mar 26th

Session 5 April 19th- May 28th

PRICES:

Thanks to a generous grant from the TCSD, we are able to make these clubs affordable. Prices range from \$15-\$35 for a five to six week session.

REGISTRATION:

Register at Teton County Recreation Center in person or by phone at 739-9025. If you have further questions or would like specific information about upcoming sessions, please contact Emily Sustick at Van Vleck: esustick@tyfs.org or 733-6440.

Scholarships are available.

The application process is quick and easy. Please call Mike Estes at 733-5056.

REMEMBER TO SIGN UP EARLY

BECAUSE CLUBS FILL QUICKLY. We are using a waitlist for our most popular clubs, including Climbing Club. If you are interested in Climbing Club, please register even if there is no room in the current session and we will get you in the next session. Our goal is to make all clubs available to all children who are interested within the school year.

Kid's Clubs Offerings for the 2009/2010 School Year

DANCE CLUB (Fall/Winter)

We will run at least two sessions of Dance Club this year. The first session was a huge success, with lots to look forward to this second session. Manny Sanchez will be teaching Zumba in November and December.

SKI AND SNOWBOARD CLUB (Winter)

Students are invited to "rip" the King after school with their friends. We will have instructors teaching safety and technique, but our main focus is to have fun!

ART CLUB (Year-round)

Emily Boespflug and the Art Association will be offering five sessions of art club throughout the school year. These clubs will include mixed media 2D and 3D projects, painting, drawing, sculpture, ceramics and more.

CLIMBING CLUB (Year-round)

This is by far our most popular club. Students will learn beginning/ intermediate climbing and bouldering in the rock gym. Those that are new to climbing will learn how climbs are rated and all will be encouraged to set achievable goals for themselves. Harnesses, climbing shoes, and chalk bags provided.

Special Instructions: An Enclosure Rock Gym waiver **must** be completed prior to participation. Waivers are available at the Rec. Center,

Enclosure Climbing Center and at www.enclosureclimbing.com.

We are excited to announce that we will be collaborating with 4-H for the Holiday Craft, Culinary Clubs, Rocket Clubs and Fly Tying Club! 4-H is a community of young people that are learning leadership, citizenship, and life skills. Along with learning a new craft, you will have a leadership role, learn how to run a meeting (with the help of adult leaders), keep records, set goals, and give back to your community. You are also eligible to enter your project(s) in the Teton County Fair (July 21-26, 2010).

CULINARY CLUB (Year-round)

Culinary Club has been focusing on baking for the holidays. We have lots more baking and other culinary classes to look forward to.

HOLIDAY CRAFT CLUB (Fall/Winter)

Holiday season is upon us! In this club, we're getting down with homemade gift-giving. We will be making soap, beeswax candles, and ornaments to name a few!

FLY TYING CLUB (Spring)

Students will learn to tie their own flies and perhaps have a chance to try them out. Stay tuned for more information.

ROCKET CLUB (Fall/Spring)

If you have an interest in modeling, rocketry, camaraderie, flame, smoke, and the roar of rocket engines, join this club! Participants will learn the physics of rocketry as well as build and launch their own rocket.

JEWELRY MAKING CLUB (Winter/Spring)

Learn the art of earring, bracelet, and necklace making. Girls and boys alike are encouraged to join this club that will feature guest artists from our community.

KNITTING CLUB (Winter)

Students will learn to knit in using their own homemade knitting needles. Beginner and advanced knitters are encouraged to join in on the fun of knitting and pom-pom making!

GARDENING CLUB (Spring)

Students will learn to grow their own herbs and veggies in a plot provided by the community gardens. Participants are asked to make a commitment to care for their plot and meet once a month with 4-H leaders throughout the summer months.
